Konnichiwa & Greetings to the Populace

We wish to thank the Autocrat, Staff and Populace for making Our Baronial Birthday & Investiture so wonderful! We were overwhelmed by the outpouring of goodwill and support shown to Us. Even though the weather was less than perfect, the day was magical all because of the special people We call Friends.

The following is a tentative schedule of Events that We will be attending over the next two months. In March, Baroness Ariel will be attending Gulf Wars XXII (March 5-17), Lumberton, MS.

In April, We both plan to attend Spring Coronation (April 5-7), Barony of Marinus, Spring Grove, Va, and Fools War XXIV (April 11-14), Quest for the Holy Grail, in The Shire of Tir Briste, Meridies, Macon Ga.

If any Gentles are planning to attend any of the Events listed please contact us so that we can coordinate camping/traveling together. Contact us at either: gillasd@bellsouth.net OR barontakeda@yahoo.com

We look forward to serving the Kingdom and Our Barony in the years to come. As always We remain.....

In Service to the Dream,
Takeda & Ariel
Baron & Baroness of Nottingham Hill Coill

Greetings to the Most Wonderful Barony in the Known World!

It has been our great honor and pleasure to serve as your Baron and Baroness for these past three years. It has been very rewarding in so many ways, and we can only hope that our efforts have in some way enhanced the joy of the Dream for some of this amazing populace.

Thank you to everyone who has helped and supported us on this journey. We hope that you will give our successors the same love and assistance, and we will continue to see our Barony shine.

Yours in Service,

In Loving Memory of Our Ves'tacha Phral, Kazimir the Gypcian

Kazimir was a man of many passions.

Many passions.

In fact, it would seem that Kazimir's passions may have been key in starting that last war we had, thus angering Their Royal Majesties to the point of executing him at Nottingham Coill's Baronial Birthday.

As his cousin Delia the Flammable so eloquently said, "Yeah, things got a little out of hand."

He leaves behind a bereaved Kumpania Painted Wheel, his sisters Dulcinaya and Tsigane, his (at least one) son Kazimir the Third and many grief-stricken cousins.

*"Let's all have a sniffle,
Let's have a bloody good cry,
And always remember the longer you live,
The sooner you bloody well die."*
